office action or non-final office action. Examiner Holt informed Mr. Danyko that the June 20, 2011 office action is being withdrawn, and a non-final office action will be issued. Mr. Danyko stated his understanding that, in view of this development, the present application would not become abandoned if action responsive to the final office action was not taken on or before December 20, 2011. Examiner Holt confirmed Mr. Danyko's understanding.
